

## Do we need to arrange holiday insurance?

The yacht and all third parties are covered by our comprehensive marine insurance. However, we insist that all members of the yacht party organise personal insurance as soon as the holiday is booked. Remember that this is a sporting activity holiday so you should purchase a policy that offers the appropriate level of cover. Holiday cancellation cover and full medical cover starts from around £14 per person. We found the staff at [www.academyinsurance.co.uk](http://www.academyinsurance.co.uk) helpful.
