

Do we need to buy food, drinks, cleaning utensils?

The yacht will be provisioned with tea, coffee and some soft drinks so that you are made as comfortable as possible on your arrival. However, you will need to shop for your own food and drink supplies. Most port locations in the Ionian are well equipped with supermarkets and mini-markets so you should find options even for the fussiest of eaters. The yacht is equipped with cutlery, crockery and cooking utensils. Cleaning equipment is also provided.
