

Ionian Yacht Charter Booking Procedure

Booking your Ionian yacht charter is simple and we'll guide you through every step:

- Contact us to check availability and prices for your requested sailing holiday dates.
- On confirmation of dates and prices, we will hold your yacht charter booking for one week. This gives you enough time to read our terms and conditions before you source and pay for flights (we found www.charterflights.co.uk very useful) and arrange holiday insurance.

- When you have booked your flights, we require 25% deposit to secure the yacht charter booking. If departure is within 8 weeks, the full holiday price must be paid.

- We will confirm your booking upon receipt of deposit. The balance must be paid no later than 8 weeks prior to departure. Prior to your departure, we will ask for your crew list and also provide you with further details to help you prepare for your sailing holiday. How to Pay Bank Transfers: Contact us for our bank details.

You can also pay by cheque, made payable to Ionian Blue Sailing. Please send to our UK office address: Attn. Christian Bunn Ionian Blue Sailing 38 Vanbrugh Gate Swindon Wiltshire SN3 1NQ
